

House Of Coffee - coffee machine, coffee vending machine, Melbourne, Australia

The House Of Coffee

Pod Espresso Coffee Machine

- Just pop a coffee pod into the filter holder of your machine to brew a delicious coffee. Then simply throw the used pod into the bin!
- No mess, no wastage just perfect drinks time after time.
- Frothing the fresh milk is very safe, fast and simple.
- The cleaning required for these machines is so minimal that there is no need for staff volunteers or staff cleaning rosters.
- The Spinel is a very affordable to buy machine.
